NCVE CORONAVIRUS POLICY

1. Anyone that has arrived from Overseas (all areas) must present the COVID-19 vaccine certificate.
If the student does not have the valid COVID-19 vaccines, she/he must be self-isolate and monitor their health for 14 days prior to enterning the College or leaving self-isolation.

Two dose of any of the following brands:
- AstraZeneca Vaxzevria
- AstraZeneca Covishield
- Pfizer/Biontech Comirnaty
- Moderna Spikevax
- Sinovac Coronavac
- Bharat Biotech Covaxin
- Sinopharm BBIBP-CorV (for 18-60 year olds).

2. Anyone with symptoms must stay home and go to the doctor to get checked and obtain a Medical Certificate clearance letter before returning to school.

The symptoms of COVID-19 are similar to other colds and flus and include:
· Fever
· Sore throat
· Cough
· Fatigue
· Difficulty breathing

While coronavirus is of concern, it is important to remember that most people displaying these symptoms are likely suffering with a cold or other respiratory illness – not coronavirus.
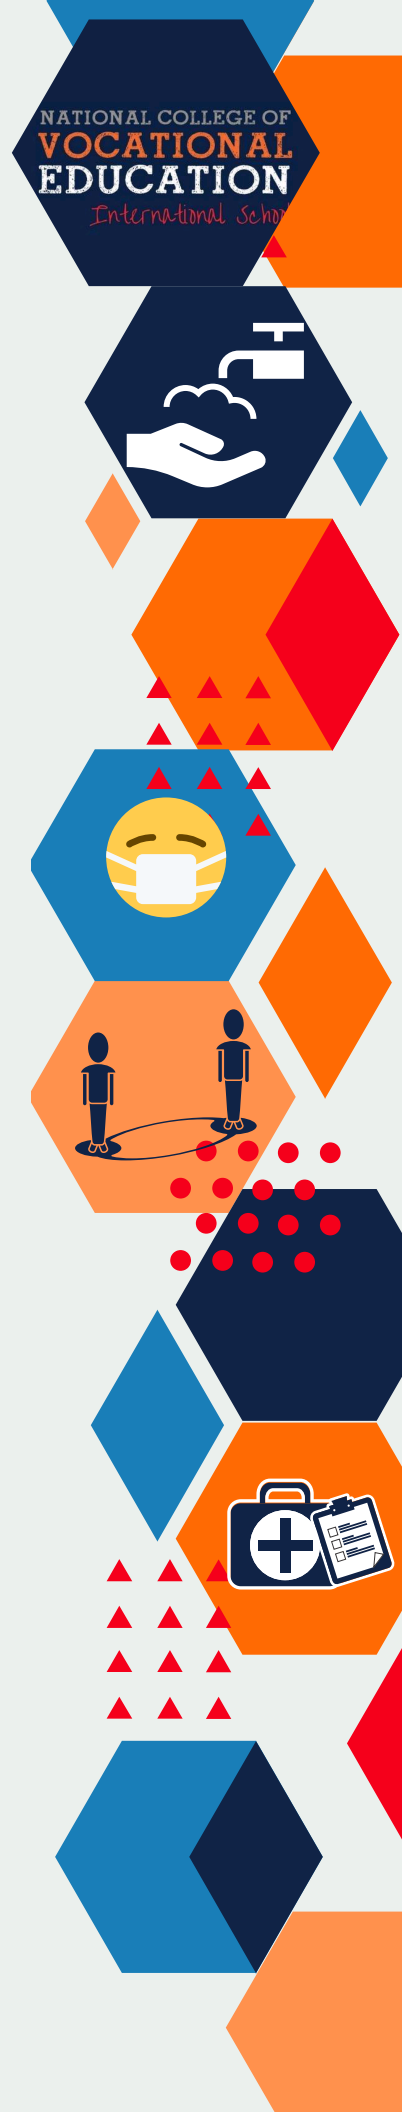

3.   Anyone who has been in close contact of a confirmed case of the Novel Coronaviras and has developed symptoms must seek medical attention and must not attend college and also present a Medical Certificate Clearance Letter before re-entering the college.

4. Whilst studying in the College, please practice good hygiene practices washing your hands frequently with soap and water, before and after eating, and after going to the toilet.

a. If you do come to College unwell, the staff will send you home immediately and you will be asked to obtain a medical certificate before returning to College.

b. If you do not present a medical certificate, your attendance and progress will be affected.

c. cover your cough and sneeze, dispose of tissues immediately,   and   use   alcohol-based   hand sanitiser, and

e. Please ensure that you use the antibacterial wipes supplied by the College to wipe down your learning space, surfaces and tables after use.

5. For the latest advice:

a. information and resources, go to www.health.gov.au

a. Call the National Coronavirus Help Line on 1800 020 080. It operates 24 hours a day, seven days a week. If you require translating or interpreting services, call 131 450.

b. The phone number of your state or territory public health agency is available at www.health.gov.au/state-territory-contacts

c. If you have concerns about your health, speak to your doctor.

We thank you in advance for your cooperation.
